Harold Weisberg
Route 8
Frederick, Maryland 21701

Dear Harold:

I'm not exactly sure how you would like to go about replacing the lost manuscript, but whatever method will impose least hardships on you is the way I want to go. I am not concerned with the expense, only with getting that manuscript duplicated and in your hand as fast as possible. Proceed any way you feel best and send us the bill.

Best,

Geoffrey Norman
